**Dear Parents/Carers**

**RE: School Dinners**

Due to unforeseen circumstances, following a problem we have experienced with the boiler in the school kitchen, we have had to review the service we can provide to students during break and lunch time.

All the team are working hard to ensure that we still provide a service to all students however as a short term solution, the pasta bar will not be open and we will only be providing a reduced menu of choice from the hot counter. In addition, all meals will be served on paper plates, with plastic cutlery.

Please be assured quantity of meals served and quality will not be affected in anyway and we would like to thank you for your understanding and patience during this period of time.

We are all working hard to ensure the situation is resolved as soon as possible, with a view to the normal school dinner service being resumed shortly.

Yours sincerely

Mrs S Bamford  
Catering Manager
