Dear Parent / Carer,

Consequence Systems

At Longdendale High School an important part of our vision is for our learners to be professional and to demonstrate respect. The majority of our learners uphold this vision and are a credit to themselves and their families. However, we do have a minority of learners who do not respond appropriately to staff when they need to be spoken to about their conduct. These learners either walk away from staff or argue with the member of staff. This is not acceptable behaviour and so I am writing to update you on the consequences that are in place for such behaviour choices.

If a learner walks away from a member of staff or argues with them, they will be issued with a 1 hour senior leader detention, to take place the following day after school. Mobile phone violations (a mobile phone being seen or heard in a lesson or during a lesson transition) will also result in a senior leader detention. If a learner fails to attend this detention, you must come into school with them the following morning for a meeting with a member of our senior leadership team. The senior leader detention will then need to be completed that day after school. If you do not come into school with your child to meet with a senior leader your child will be isolated. Failure to complete the detention 3 times will result in a learner completing 1 day in our internal exclusion room (Reflect). Repeated incidences of missed senior leader detentions will result in more serious consequences.

All learners have been made aware of these consequences in assemblies and this consequence system will come into effect from Monday 3rd June. If you have any questions regarding these changes, or would like to discuss this further, please do not hesitate to get in touch with the school.

Yours faithfully

Miss Sally Ayre
