

Headteacher Awards

Friday saw the end of a busy first week back in school with lots of fantastic learning and activities taking place. The week ended with learners receiving their Headteacher awards from Mrs Jones who said this was her favourite part of the week.

Each week learners can be nominated for Learning Leader and/or Headteacher awards. The learners successfully awarded the Headteachers award are invited to celebrate with the Headteacher on a Friday where they are congratulated on their nomination, receive a certificate and the much coveted badge to wear on their blazers.

Congratulations to all of this week's learners who achieved a Headteacher award.
