

01 March 2019

Dear Parent / Carer

Y11 Exam Preparation Information Evening

As your child approaches the most important stage in his/her school life so far we are writing to you about an information evening to help you to support your child.

As we move closer towards the start of the GCSE exam period, the importance of the preparation work completed by learners becomes ever more increasingly significant. With this in mind, we would like to invite families into school for a session to provide you with advice and guidance on how to support our learners through this important period, and to ensure they are fully prepared for the rigours of each GCSE syllabus. We believe that by working in partnership with parents, carers and learners, we can best support your child to achieve their full potential.

The session will be held on **Wednesday 13th March** in the Outdoor Pursuits Centre at 6.30pm and will last until around 7.30pm. During this session, you will be provided with practical tips on how to support your child's revision; will receive information from the Heads of Departments for Maths, English, Science, Humanities and MFL; and will receive information on the requirements of the exams.

We hope that you can attend the session. If you have any queries please do not hesitate to contact me at school.

Yours faithfully

Miss Sally Ayre
Deputy Headteacher
