

Year 10 – Hospitality and Catering

Curriculum intent	Food and Cookery is a rigorous qualification that ensures students develop their core knowledge and practical skills to be able to progress into a career in the Hospitality and Catering industry. We will look at the food industry and the importance of food for both healthy living and future career pathways. We will understand food provenance, the main food groups, key nutrients and the requirements of a healthy diet. We will explore food choices and how recipes can be adapted to suit the needs of specific people. We will explore menu creation and action planning and well as use evaluative skills to critique our own understanding. A full range of practical skills will be demonstrated that will show the aptitude for progression into the hospitality sector. Students will demonstrate these skills through NEA coursework and will show their knowledge through a written exam paper.					
Term	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
