

5th September 2025

Dear Parents and Carers,

Re: Early school closure Wednesday 24th September 2025

I am writing to let you know that on **Wednesday 24th September 2025**, the school will close early at **12:15pm** so that staff and students can prepare for our annual Open Evening.

All school buses will be running an early service to ensure students can travel home safely. Students who are entitled to a free school meal will also be able to purchase food items at break time.

Our Open Evening is a very special and important event in the school year. It gives prospective students and their families the chance to experience life at Longdendale High School, meet our dedicated staff and enthusiastic students, and see the wide range of opportunities we offer. It is also an opportunity for us to celebrate the achievements, talents and hard work of our school community, and to showcase the pride we have in our school.

School will reopen as usual on Thursday 25th September 2025 at 8:30am.

If you have younger children in primary school who will soon be making the move to secondary education, we would be delighted to welcome you and your family to join us at our Open Evening. Please see our website for further details.

Thank you, as always, for your support in helping us make this event a success.

Yours faithfully,

Mr Mike Chiles
Head of School
