

Dear Student

Please make yourself familiar with the below regarding Post Results.

Results Day is Thursday 21st August 2025

You can collect your exam results from school between 10am – 11am

School will not send GCSE Results through email or via telephone.

Senior Leadership will be available on results day if you have any questions regarding your exam results.

Please note that any Post Results requests cannot be processed without the student's permission.

Please make sure you sign to give your permission and provide your mobile number before you leave.

Results Enquiries (Review of Marking)

The exam board deadline for enquiries about results is Thursday 26th September. In cases of results enquiries from students, where the school does not uphold a request for such an enquiry, the student will normally be asked to pay to have an enquiry carried out. It must be remembered that the outcome of any remark may result in marks going down as well as up. The school must have candidates written consent for a remark application to be processed. If you wish to request a review of marking please complete and return the correct form to Miss Payton no later than Monday 3rd September. It is imperative that students include their mobile phone number on the request forms as the Exam Officer may need this information to contact the students should a query arise.

Access to Scripts

If you would like to give permission for the school to have access to your scripts please sign and return the access to scripts form on results day.

Access Arrangements

If you qualified for access arrangements for your GCSE exams such as 25% Extra Time/Scribe/Reader please also find enclosed evidence of this arrangement with your results information on results day. You may need to pass this information onto your college for your examinations with that centre.

Certification

Certificates are issued by the exam board if you achieve grade 9-1 at GCSE, or a pass or higher in level 2 qualifications. Certificates are printed by the exam board in October and will be distributed to students at the presentation evening in November. It is important that you look after your certificates and keep them in a safe place as future colleges and employers will need to see them. Certificates cannot be replaced; the awarding bodies will only supply a replacement statement of results, which they will charge for. All post result queries and questions please send to; examsresults@lhs.spt.ac.uk

Yours faithfully

Miss V Payton
Examinations Officer
